IHS Academic/College/Career Help

IHS has academic and mental health counselors (<https://issaquahhigh.isd411.org/student-life/counseling>) as well as a separate College and Career Center (<https://sites.google.com/site/issaquahhsccc/home>).

Both websites host a wealth of information. Students and/or parents can make appointments with either department.

Angel Program

The PTSA Angel Closet is a safe place for students-in-need to "shop" at IHS. Periodically, students can pick up clothing, toiletries, personal care items, along with weekend food packs, school supplies, IHS logowear, and more.
