

**PTSA MEETING**  
**SEPT. 11TH**

# WHO AM I?

- Jordan Frost
- 2<sup>nd</sup> year at IHS! Last year I taught all of our psychology electives. This year I am teaching Leadership 101, ASB Leadership, and Guided Studies in addition to my role as Activities Director.
- WSU Graduate, Bachelors in History & Masters in Teaching.

# SOME BACKGROUND- WHY EDUCATION?

- I was raised by my incredible mom and two older sisters (they would joke that I acted like the older sibling).
- I grew up in poverty, but schools were an incredible escape for me. At school I found caring and supportive adults, social connection, and a place where I could chart a course for my future.
- My background is what led me to education. School gave me hope and dreams of a future better than my present.
- I believe that public education is one of the most powerful ways we can give all individuals in our society an equal opportunity be productive citizens, community leaders, and to take control of their future.
- <https://news.wsu.edu/2018/08/24/jordan-frost-struck-journey-poverty-wsu-student-regent/> If you want to read a feel good story about my experience in K-12, and how I first met our Principal Andrea McCormick!

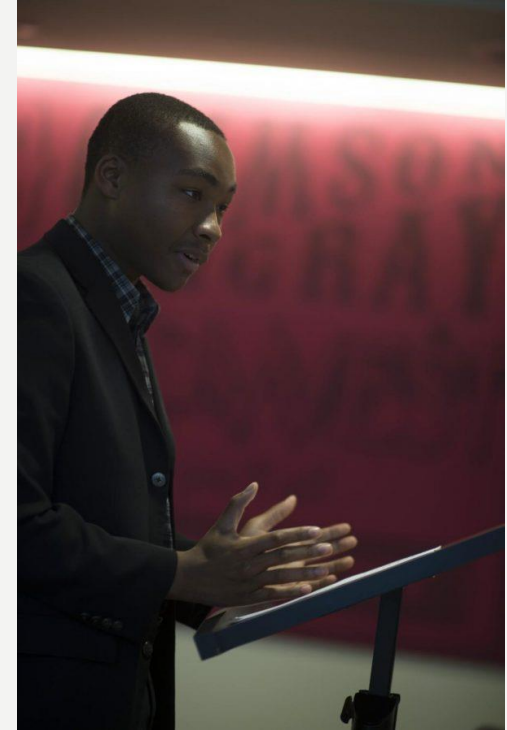

# EARLY LEADERSHIP EXPERIENCE

- My earliest leadership experience was being 3<sup>rd</sup> grade class representative. I've been involved in leadership ever since.
- In high school I served as ASB President for 2 and a half years, and was heavily involved at the school & district level with policy.
- I am a strong believer in servant leadership and giving students as many opportunities to lead as possible!

# WSU EXPERIENCE

- Served as Student Body President at WSU.
- Served on over 30 shared governance committees (budgets & finance, hiring & selection, student health & wellness, lobbying, and more!)
- Passionate about transparency, fiscal responsibility, sexual assault prevention, and mental health awareness (created an endowment to fund student-led efforts surrounding these two areas).
- Appointed by Governor Inslee to the Board of Regents for the WSU system.

 Jordan Frost voted as best student leader for leaving mark on WSU

## Jordan Frost voted as best student leader for leaving mark on WSU

*Frost has come a long way from hall government; he hopes to set positive precedent*

ALEX BIVIANO, Evergreen reporter  
March 29, 2019

Jordan Frost has served WSU every day for the past six years.

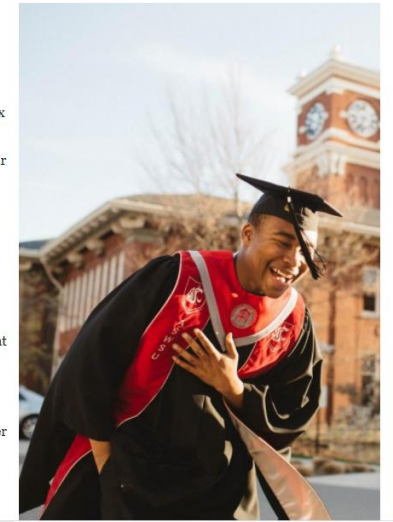

The former ASWSU president graduated WSU last year but has served as the student regent this year while student teaching in Spokane.

Frost is well known for his progress on sexual assault prevention and mental health resources on campus. Even after graduating Frost has remained in the spotlight due to successful policies and his ability to maintain visibility on campus.

The university's social media presence and engagement with students has increased under the leadership of Frost and he describes it as one of his proudest accomplishments as student regent.

He said he is also still proud to be an honorary member of the Kappa Delta sorority.

"Someone who is focused on and service and doing whatever it takes on behalf of the students is what it takes to be a good student leader," Frost said.

# WHY ACTIVITIES?

- I believe in the power of relationships. As a matter of fact, I believe in any successful school, relationships come first.
- My top focus as Activities Director is to create a positive, welcoming, inclusive school **culture**. My hope is that students and staff will **WANT** to come to school. Issaquah is a great school, but we still have some kids who feel left out.
- I also hope that when families visit our campus, they feel welcomed and get a sense of pride.
- **Recognition, Advocacy, and Inclusion** are three areas of emphasis for me.

No significant learning happens without a significant relationship.

Dr. James Comer

# CLUBS/ACTIVITIES

- Clubs are still active right now and your student CAN join! They are all virtual, but many national organizations (DECA, NHS, JSA) have adapted their models for a virtual setting.
- Our co-curricular programs (Band, Orchestra, Journalism, Yearbook) are also still functioning, just in an altered way. Many of those programs are still exploring what it means to be active during remote learning.

# ADDRESSING \$\$\$

- We've seen a significant reduction in income this school year.
- We reduced the ASB fee to just \$30, given sports are not currently happening. We do plan to charge the other \$30 if sports return to play this school year. For now only students who are active in a club/activity need to pay the \$30.
- The Yearbook will still be produced, and the price will be reduced. Our yearbook advisor is still working on what that price will be. We will be sure to communicate that out once we know!

# ASB IS STILL WORKING HARD!

- **Virtual assembly September 23<sup>rd</sup>** (will be accessible on our YouTube channel!)
- Currently running a **food drive during materials distribution**. Families can drop donations off at the front entrance of the school before picking up class materials.
- We will have a **club fair October 16<sup>th</sup>** so that students can see all of the clubs that are still operating, and find out how to join. This will be held during “NEST” time.
- **Community Service Match Maker** is being developed where students can be matched with community service opportunities in the community. When live it will be on the Activities Website.
- We are working with Bloodworks NW to have a **blood drive in the Fall**. They have adapted their donation model to meet COVID restrictions.

# STAY IN CONTACT!

- “Issaquah High School ASB” on YouTube. Subscribe to our channel!
- @issaquahasb to stay up to date on all things ASB/Issaquah High. The kids run this, so the graphics are awesome 😊
- My email is [FrostJ@Issaquah.wednet.edu](mailto:FrostJ@Issaquah.wednet.edu) & phone number is 425-837-6110. Reach out with questions, ideas, or anything in general!
- We have moved our website back to the Issaquah High School main website. If you click the “Student Life” tab and then “Activities” you’ll find info about clubs, ASB, and events.

# THANK YOU!

- Questions?
