She also plans to address IHS staff in the fall and present the Be True message to incoming freshmen classes. • The Influence the Choice Video Contest just closed. Reflections Jamie Beck reported on the recent Washington State Reflections judging. IHS student, Ben Eskanazi's photography entry has been selected to advance to the National Reflections competition.

Senior Scholarships Kristen Allen Bentsen and Mary Adkins reported receiving 55 applications for the IH PTSA Senior Scholarships. The committee will meet April 23 and April 30.

Parent Ed Dea Barnett followed up on the Mask You Live In screening. She gets the sense from viewers that there needs to be further discussion. The Mask You Live In is available on Netflix.

Community Service Pamela Krueger recapped the Community Service component of Eagle Day. She estimates close to 1,800 students came through during the day. 37 volunteer organizations were represented. Next year, IH PTSA will be given time during three Core Flex sessions to educate students about volunteering and the Community Service program. Pamela shared thanks to many parent and student volunteers. Full list of volunteer organizations will be on the IH PTSA website eventually. May 1 is the deadline for Seniors to report volunteer hours.

Angel Jamie Beck reported that Angel held a shopping day in March. They also provided 40 "Bags for the Break." Tuxes and Tiaras, a shopping event focused on formal wear and accessories, will be held May 4 & 5 at Our Savior Lutheran Church (OSLC). The event is open to all seniors regardless of need. Dresses, tuxedos, accessories, and monetary donations are needed. Tuxes and Tiaras is presented in conjunction with Liberty HS, Skyline HS, Issaquah Food Bank, and OSLC.

Healthy Student May is Mental Health Awareness at IHS. Victoria Evans is working with Tori McBride, teen health counselor, and Hanine Castro, IHS Counselor, in support of the scheduled activities. Each week will focus on a theme (Physical Wellness, Relaxation and Stress Management, Kindness to Self and Others, Suicide Prevention, and Gratitude and Mindfulness). College Test Prep Jamie Beck noted that the last ACT/SAT Combo Practice Test of the year will be held May 19.

Grants Grant requests for IH PTSA funds are due today. The grants will be voted on at the May GMM.

Speakers

Neil Lasher and Officer Dave Turner Officer Turner addressed recent activities including fielding questions from students about 4/20 and marijuana, the anniversary of the Columbine school shooting and nationwide walkout, and the recent after school lock down. About the lockdown, Officer Turner noted that the response was successful and officials learned from it. In the future, Police will notify the gun range when IHS and/or IMS are in lockdown. The gun range will shut down during the duration of the lock down. Neil Lasher noted that IHS is piloting a new program from the same company that produced the current visitor badge system, which IH PTSA purchased. The intent is to implement a system district-wide.

Andrea McCormick, Principal The old bus loop has been striped with 29 new parking spaces. IHS was able to accommodate all seniors not selected in original parking permit lottery and additional staff. Additional accessible parking will be added near the stadium entrance. • Andrea noted that the district is adding safety vestibules to all schools that don't already have them. After 8:00 a.m. all outside doors would lock and visitors would enter a door that routes them directly through office. The project for IHS is still in the design phase. • The new course selection process (workshop style) was very successful. Higher percentages of students completed course selection and fewer students changed their schedules after the viewing period. • Administration is looking at building time into the school day to accommodate a variety of needs including whole child activities, assemblies, and student needs such as meeting with teachers. A majority of IHS staff is supportive of this approach. Details are still being worked out before the plan will be announced through e-News.
