Council report: Diane reported on the Issaquah PTSA Council meeting. Ron Thiele addressed recent snow closures, which have pushed the last day of school to Tuesday, June 20. No snow days were built into the 2016-2017 school calendar. • To change emergency contact information in Family Access, guardians must contact the school. • ISD Staff recently participated in cultural diversity training. For ISD, the ethnic makeup is 2% less white every year for past 15 years, while the staff composition hasn't changed. • Providence Point negotiations are still underway. The district is optimistic about the property acquisition.

Business

Parent Community Survey Diane Burdette shared results of the recent survey sent to the parent community. 319 people responded, nearly 100 of which are not current PTSA members. A committee was formed to analyze the feedback to address topics.

SRO Promotion Diane and Bertina presented a gift of Issaquah High logowear to Officer Diego Zanella as thanks from the IH PTSA for his service as SRO. Thanks to Onti Rosen for the idea and Ami Maron for procuring the items.

Lunch for the Break Bertina noted that the IH PTSA BOD is donating a complete box. ISF is still accepting monetary donations to purchase produce and bread to go with non-perishables. The program will run again in April for Spring Break.

WSPTA Senior Scholarship and Men's Essay Contest Several scholarships (three \$3,000 and one \$1,000) are available for seniors through WSPTA. Application deadline is March 1. The WSPTA Men's Essay Contest deadline is also March 1. Information can be found on the WSPTA website.

Revision to Standing Rules Bertina presented a BOD-recommended change to the standing rules that would create the position of Assistant Treasurer. The intention of the new position is to share some of the responsibilities of the Treasurer (reduce the time burden on the Treasurer) and provide the opportunity to learn about the role of Treasurer before possibly stepping into that role.

MOTION 1 Diane Burdette moved that IH PTSA amends Standing Rule No. 9 to allow for a (non-signer) Assistant Treasurer elected position. The motion was seconded. After discussion the motion was voted upon. The motion carried.

Committee Reports

Advocacy Dea Barnett noted that people can find good summaries of legislative proposals through the WSPTA website (wastatepta.org, Grassroots Connection blog) and League of Education Voters. The current concern is the Levy Cliff. If the levies expire before the legislature completes the education funding plan, ISD is at risk of losing \$15 million out of its two-year budget. The House of Representatives passed a bill to delay the levy cliff. District 5 legislators Rodne and Graves broke with their caucus to support that bill (HB1059).

Membership Bertina announced that IH PTSA has exceeded the membership goal of 1,300. Current membership stands at 1401, which includes 61 staff members (exceeding staff goal of 60). The increase in membership over last year (10%) qualifies IH PTSA for the Washington State PTA Gold Award. Current membership still only represents 66% of students. Bertina also noted discounts offered to PTSA members. Diane Burdette thanked Bertina for working on Membership above and beyond her duties as President.

Awards Sara Carmichael reported that the online nomination forms for Golden Acorn and Outstanding Advocate will be available until midnight February 13. The committee will meet February 16th to review the nominations.

Nominating Committee Anne Watanabe reported that the Nominating Committee is working and contacting people. Anyone interested in serving on the board or with suggestions for people who might like to serve should contact Anne.

Robin Hodder, Co-VP Events, Sara Carmichael, Secretary, and Patti Miller, Treasurer, described the duties and responsibilities of their respective positions.

Events

Senior Events Robin Hodder noted that Sally Feldman is in the midst of the push to reach seniors for Senior Celebration. She and her team were at Senior Interviews to talk with the students. There are currently 168 seniors signed up. The goal is 300.

Other Events Updates Robin Hodder debriefed about the January 13 IHS PE 5K. About 600 students ran on a very cold 28 degree morning.
