Standing Rules Addendum

In a nutshell:

Allows us to vote electronically or by snail mail if we cannot meet in person.

31. In the event of a formidable challenge that prevents an in-person meeting, voting by mail or by electronic transmission may take place for regular PTSA business as well as for electing officers or members of the nominating committee. If voting for officers or members of a nominating committee takes place by mail or electronic transmission, the ballot with the name of each candidate is to be contained in the notice of the meeting and any vote case must be received within the timeframe identified in the notice of the meeting. However, if only one candidate is nominated for an office, then the election may be by voice vote at the meeting, in accordance with the Uniform Bylaws of the Washington State PTA.

Welcome! Come and go as you need.

Meeting starts 9:30 AM. PTSA Awards at 10 AM. Principal at 10:15 AM.
