

Attention Class of 2025 Students & Parents,

We are excited to share information about the **2025 All Night Grad Party**, an annual Issaquah tradition that takes place on the night of graduation! This unforgettable event is open to all seniors at IHS and is sponsored by the PTSA. The night has been curated especially for the Class of 2025, providing an opportunity for Seniors to celebrate their incredible accomplishment with their classmates.

Meeting at Issaquah High School, 10pm following graduation on June 12, the seniors who have previously purchased an **All Night Grad Party** ticket will board chartered buses and be taken to the first of two super-secret locations where they will find tons of fun, entertainment, food, prizes, and surprises!

These venues are kept secret for safety & security. Following their first super-secret location, they'll get back on their bus and be taken to the second venue for more fun. The seniors will be allowed to bring their cell phone and a jacket/sweatshirt; however, no bags or water bottles are allowed. The seniors will be brought back to Issaquah High School at approximately 6:00 am on June 13, 2025. They will need to be picked up there as their cars are not allowed overnight at IHS and no seniors are allowed to drive home.

Parent chaperones will always be present during the night. We need you! It takes many chaperones to make this event run smoothly and is truly a fun memory for chaperones too. Please reach out to the party chairs if you can help!

Tickets are on sale at an early bird, all-inclusive price of \$225 until 4/30. No additional money is needed that night. Please act fast to secure your spot at this lower rate! [PURCHASE TICKET HERE :](https://issaquahhighptsa.org/Packet/Senior/ProductsPacketPage/1)

Please consider donating to the event to cover scholarships, buses, additional entertainment, prizes and more! Donations are made to PTSA and therefore tax deductible. You can help make this night more special by donating on the ticket purchase page!

We have a limited number of subsidized tickets available to students with financial need. Please [email with inquiries](#).

Seniors will not want to miss this unforgettable night! If you have any questions, please contact us.
