

Issaquah High Staff Profile

Neil Lasher

Issaquah High School Security Officer

What was your job/career before coming to work at Issaquah? If you had a prior job/career, how did that job/career make you become a better staffer at Issaquah High?

I worked in a group home with special needs youth and then was working one on one with some of the students in the schools. I enjoyed working in the schools so when the security position opened up, I started working at Issaquah High School.

Tell us about your position at Issaquah High. Any highlights?

My favorite part of the job is working with students. I love spending time in the LRC2 classroom, food tasting in Culinary Arts, helping students problem solve, working Friday night lights, and attending Prom and Graduation and seeing kids so happy.

How many years have you worked at Issaquah High?

This is my 18th year.

What do you like to do outside of school?

I have 3 kids and spend a lot of time with family. My favorite hobby is wood working, I build furniture and do home projects. I also love the outdoors: hunting, camping, and fishing are my favorite outside activities.

Is there anything else special about you that you would like to share?

I'm adopted.
