

Issaquah High Student Profile

Ana Limon Garcia
IHS Class of 2021

What classes at school do you love and why?

I love the Psych classes because the teachers are great and they are very interesting, I love the Forensics classes because the class is interesting and fun

What are some of your favorite high school memories?

Going to Homecoming, a football game, TOLO, eating outside with my friends, and the lunch snowball fights

Are you in a club and if so, what are the best parts of being in that club? Any memorable experiences you would like to share?

I am part of the Forensics Club; we were testing the blood splatter lab and the paint got everywhere (It was really funny)

Do you have any cool hobbies?

I do SFX makeup in my free time (things like cuts, burns and looking like a zombie), I play the ukulele (I only know 4), and I like to write (short stories and fanfiction)

Is volunteering part of your life? If so, tell us about your volunteering experiences and what you love about them?

A bit, in October I volunteer at "Nightmare at Beaver Lake" the haunted trail that gives the president to a charity, and I sometimes volunteer with the PTSA with translations in Spanish

What do you do for fun?

I like to draw people or original characters (mostly self inserts into tv shows), bake brownies and cookies, and taking care of the flowers at home (our lime tree recently gave us two limes!)

Do you know your plans yet after high school?

I plan to go into college to study psychology and maybe education as well
