

Issaquah High Student Profile

Hunter England Fulford

IHS Class of 2022

What classes at school do you love and why?

I enjoy Japanese class because the teacher and all of my classmates are very fun and we have a great time.

What are some of your favorite high school memories?

Nothing specific comes to mind, but I mostly just enjoy being with and having fun with my friends every day.

Do you play sports and if so, how has sports made an impact on your life? Any highlights you would like to share?

I am a cross country runner, and up until recently, a soccer player. I find that exercising and working out is a fantastic way to clear my mind or take a break from academics while still doing something productive.

Are you in a club and if so, what are the best parts of being in that club? Any memorable experiences you would like to share?

I have been a member of the robotics team, as well as a member of the marching band. One memorable experience for band was when we got stuck in Husky Stadium for hours one night due to a lightning storm.

Do you have any cool hobbies?

I often spend time on automotive mechanical work, such as repairing or upgrading my car. I like being able to do something that involves hands on work as well as problem solving skills.

Do you have a job? If so, where do you work and what do you do? What are the highlights of working there?

For work I mostly do freelance landscaping and exterior maintenance. I like doing this because I usually have somewhat flexible hours and I get to do a variety of different tasks.

What do you do for fun?

I do many things in my spare time, but two things I especially enjoy are going on runs or going to the gym.

Do you know your plans yet after high school? If so, tell us about them.

I plan to go to a university to study mechanical engineering.
