

## Issaquah High Student Profile

**Ramatoulie Bah (Rama)**

IHS Class of 2023

**What classes at school do you love and why?**

I love Guided Studies because it is a whole class period where I'm able to finish my schoolwork! I also love Language Arts, the environment is so welcoming and fun! I also really love ASB! I met some of the best people in that class and I'm involved in the school!

**Are you a running start student? If so, full-time or part-time? What do you love about taking college classes with the running start program? Any pros and/or cons with taking running start classes during high school?**

I am doing part-time running start as a junior for the 2021-2022 school year. I'm really excited to get 2 years off of college!

**What are some of your favorite high school memories?**

My favorite high school memories are the Football games where my friends and I can hang out and it's so much fun seeing everyone and watching the game! Also, the Issaquah High School Dance Team, I've made really great friends on the team and I love to dance!

**Do you play sports and if so, how has sports made an impact on your life? Any highlights you would like to share?**

I'm on the Dance Team! The dance team has shown me to be strong and confident in myself!

**Are you in a club and if so, what are the best parts of being in that club?**

I'm in the CARE Club (Consciousness and Racial Awareness). The best parts of the club are that I can be myself and talk about racial issues happening in our country and community!

**Any plans yet after high school?**

I want to go to WSU and become a pediatrician. On my mom's side of the family, there are generations of people working in healthcare and I really want to help people!

**What do you do for fun?**

I like longboarding with friends and family in my spare time! I also like playing video games and going to the lake in the summer!
