

## Issaquah High Teacher Profile

### **Lindsay Greene**

Issaquah High Math & Learning Strategies Teacher  
Special Education LRC 1

### **What is your education background?**

Undergrad at Eastern Kentucky University where I studied Deaf Education & Special Education  
Central Washington University for my masters in special education

### **Did you grow up around Issaquah? If not, where did you grow up and did that help shape the person you are today?**

I was raised in North Bend from the age of 9. I Graduated from Mount Si High School with my high school sweet heart (now husband). I was able to run around my neighborhood until the streetlights came on, I swam in the river, hikes the trails... and now I am back raising my own kids in the same kind of neighborhood.

### **What was your job/career before coming to teach at Issaquah? If you had a prior job/career, how did that job/career make you become a better teacher?**

Before I came to IHS I was working at Mount Si High School. The same school my husband and I graduated from in 2006. I was hired to teach ASL. We started off only having ASL 1. However over the next 3 years we added all the way to ASL 3. It was amazing watching my students grasp such a rich and beautiful language.

### **How many years have you been teaching at Issaquah?**

This is my 5<sup>th</sup> year at IHS.

< Mt Si High School Homecoming 2004

< Our Wedding Day

**Any favorite teaching memories?**

My first year of teaching. I was teaching ASL. Well, we did not have desks in the classroom. I conducted class sitting in a huge circle on the floor. Well, I was pregnant that year and was sitting on the floor at 7 months pregnant. One day, I sat to long and my legs fell asleep. It took three football players that I had in class to get me up. Right as I got onto my feet, the principal walks in.... he busts up laughing. Next day I had a rocking chair in my classroom. Much easier to get up from a chair!

**Is (was) volunteering part of your life? If so, tell us about your volunteering experiences and what you love about them?**

I attended a Campfire day camp from the age of 4 until I was in my 20s.

**What do you like to do outside of school?**

Family is everything to me. I live with my husband (we have been together since we were 15), 7-year-old son Ezra, 4-year-old son Elias and lots of fur babies. We have 2 cats, 2 rabbits and hopefully soon a dog. Outside of school my time is usually spent with my boys. We will build, craft, explore, and have random dance parties in the living room. Other than that I am usually crocheting something, painting, or crafting anything and everything.

< Elias caught his first fish

Ezra Showing his rabbits and winning 1<sup>st</sup> Place! >
