

## Issaquah High Student Profile

**Naomi Sneath**  
IHS Class of 2021

### **What classes at school do you love and why?**

I enjoy history because I love to learn about how people used to live, where we can learn from the mistakes people made, and how past events have affected us today!

### **What are some of your favorite high school memories?**

I love homecoming week. I always go with my friends to the football game and the dance, and there is always so much school spirit and excitement for the rest of the year.

### **Are you in a club and if so, what are the best parts of being in that club? Any memorable experiences you would like to share?**

I am in JSA, which is a debate club where we discuss current events and politics. We have three conventions throughout the year, and my favorite convention takes place in Oregon. I love spending the weekend away getting to speak on important issues, learning new things, and spending time with friends!

### **Is volunteering part of your life? If so, tell us about your volunteering experiences and what you love about them?**

I volunteer with my church's children's ministry. I serve as a 3<sup>rd</sup> grade teacher twice a month, creating my own lesson plans and trying to keep them engaged, despite being virtual.

**Do you have a job? If so, where do you work and what do you do? What are the highlights of working there?**

Before COVID, I worked as a nanny for a family down the street. I enjoyed getting to spend time with the kids, and we used to have a lot of fun playing with chalk, dinosaurs and bubbles.

**Any plans yet after high school?**

I am currently applying to colleges and hoping to study International Relations.

**Do you have any cool hobbies?**

I love photography! In JSA, I work as the Director of Production for the region, so I am able to combine two of my favorite things! I have recently started to offer Senior Portraits, and I love seeing people light up when they see the final results. Photography is something I have been doing since middle school, and it's a great way for me to get creative, and I have an excuse to go to beautiful places!

**What do you do for fun?**

In my free time, I hang out with my friends (socially responsibly!), spend time playing games with my family, or go outside and play with my bunny!
